MATRIMONIAL.

Nat C. Goodwin, the actor, was granted an absolute divorce from his wife, Jessie McDermott Goodwin, known as Maxine Elliott.

A dispatch says that the Duke of the Abruzzi and Miss Katherine Elkins, daughter of Senator Stephen B. Elkins, of West Virginia, will be married on or about December 10. Official notification of the wedding will be given out November 10.

Last Saturday night in Columbia, Miss Lucy Bowman, of this city, and Mr. T. C. Davidson, of Columbia, were quietly married. This is quite a surprise to Miss Bowman's legion of friends in Casey county, as many of them had no idea that she had decided to set her sail on the matrimonial sea. The bride is an accomplished, refined lady and her husband should be proud that he has won the hand and heart of this amiable lady.—Liberty News.

The bride, who is an exceedingly handsome and lovable young woman, is a sister of Mrs. W. M. Myers, of Hustonville.

MUSIC AT THE LEXINGTON TROTS.—Music has always been one of the great attractions of the trots at Lexington. It is the policy of the management to give the audience a treat between the heats in the shape of concerts which, ordinarily, people will pay \$1 admission to hear. The only Weber, with his famous Prize Band of America, will be at the Lexington trots again this year, and give daily concerts before the grand stand. The Weber Band is today the very best band, without exception, before the American public, and the Weber programs stand alone in the appropriate selections and catchy, popular music with which they are filled. All the latest hits are always first heard in Kentucky through Weber's Band. Blanche Berndt-Mehaffy, widely known throughout the country as the finest open-air vocalist in America, will appear and sing daily in connection with these concerts, which are alone worth more than the admission. The meeting begins Oct. 6 and lasts through the 10th. One railroad fare for round trip.

The wholesome, harmless green leaves and tender stems of a lung healing, mountainous shrub, give to Dr. Shoop's Cough Remedy its curative properties. Tickling or dry bronchial coughs quickly and safely yield to this highly effective Cough medicine. Dr. Shoop assures mothers that they can with safety give it to even very young babes. No opium, no chloroform—absolutely nothing harsh or harmful. It calms the distressing coughs, and heals the sensitive membranes. Accept no other. Demand Dr. Shoop's. Sold by Penny's Drug Store.

In affirming the judgement of the Scott Circuit Court in the case of Thos. Leach against the Commonwealth, the Court of Appeals has delivered a blow to the policies of Governor Willson in inviting anti-Equity men to shoot trespassers on their farms without knowing positively the object of their mission. Leach was sentenced to the penitentiary for life for shooting C. W. Gayle through a door at Georgetown without knowing who he was, and he asked for a reversal of the sentence on the grounds that he thought Gayle was a burglar.

Would Mortgage the Farm.
A Farmer on Rural Route 2, Empire, Ga., W. A. Floyd by name, says: "Bucklen's Arnica Salve cured the two worst sores I ever saw; one on my hand and one on my leg. It is worth more than its weight in gold. I would not be without it if I had to mortgage the farm to get it." Only 25c. at Penny's Drug Store.

She—Do you remember that 30 years ago you proposed to me, and that I refused you?

He—Oh, yes. That's one of the most treasured recollections of my youth.

Saved His Boy's Life.
"My three year old boy was badly constipated, had a high fever and was in an awful condition. I gave him two doses of Foley's Orino Laxative and the next morning the fever was gone and he was entirely well. Foley's Orino Laxative saved his life." A. Wolkush, Casimer, Wis. New Stanford Drug Co.

CHURCH MATTERS.

Revs. Freeman and Verco are conducting an interesting meeting at Logan's Creek church.

Eld. J. B. Daniel, closed a meeting at Gum Lick Church Monday with 52 additions, 36 by baptism and remainder by reinstatement.—Liberty News.

The meeting at the Crab Orchard Christian church, conducted by the pastor, Rev. George D. Verco, and assisted by Rev. Hugh McLellan, of Richmond, closed Sunday with 18 additions. At the Louisville Methodist Conference, in session at Owensboro, Rev. J. W. West made an attack on Speaker Cannon, saying: "A man like Cannon is a disgrace to the American people and unfit to preside over a decent body."

The International Association of Christian churches will have its convention this week in New Orleans. The principal topic of discussion will be the foreign missionary field, with the object of securing a systematic campaign of evangelization.

Any one wishing to attend the Sunday School Convention at Newport as a delegate will call on J. F. Holtzelaw, president, or Mrs. J. T. Bingham, secretary, and get a certificate which will guarantee a home during the convention. Remember the railroad companies offer half rate.

Since January 1, last, there have been paid out by the State more than \$100,000 for soldiers to suppress the night riders. Reports of the auditor show that from July 1, 1901, to July 1, 1907, the expense of the active militia of the State was only \$91,000. In other words a republican administration has used in nine months \$9,000 more than a democratic administration used in six years. If the voters like this way of getting rid of the heavy tax they pay they will show it by voting for Taft. If not, as they will not, they will record their votes for the electors of William Jennings Bryan.—Frankfort Journal.

Stomach troubles would more quickly disappear if the idea of treating the cause, rather than the effect, would come into practice. A tiny, inside, hidden nerve, says Dr. Shoop, governs and gives strength to the stomach. A branch also goes to the heart, and one to the kidneys. When these "inside nerves" fail, then the organs must falter. Dr. Shoop's Restorative is directed specifically to these failing nerves. Within 48 hours after starting the Restorative treatment patients say they realize a gain. Sold by Penny's Drug Store.

Samuel Gompers, president of the American Federation of Labor, issued a statement in which William H. Taft, republican candidate for the presidency, is bitterly arraigned because of the latter's charge in a speech at Denver Friday night that the labor leader was "lying to his followers." Mr. Gompers recites the experience of the labor delegation at the republican National convention and has something to say of the injunctions issued by Judge Taft when on the Federal bench.

If Roosevelt had evidence of the truth of Hearst's charges against Haskell before Hearst made them, then he did not do his duty to his party in not making them known; if he did not have the evidence then he was contemptible in using the presidential office to blast the reputation of a citizen upon the assertion of a man whom he held out to be untrustworthy.—Ashland, Va., Herald.

The guards at the State penitentiary have donned the uniforms which the Board of Prison Commissioners decided they must wear. The uniform consists of a dark blue serge suit, with brass buttons, and a black Fedora hat, of the true Kentucky style. The brass buttons bear the inscription "Kentucky Penitentiary," with the State seal between the words.

Gardner and Hunt were given 10 years each in the penitentiary after a long drawnout trial at Clarksville, Tenn. It is alleged that they waylaid and shot Vaughn Bennett, a member of a night rider gang.

"The die is cast!" hissed the villain. Then, shaking their gold locks, the chorus bounded on. "It seems," the critic murmured, "that the cast is dyed, too."
